

Meet the **ArkeoTopia team** remotely for a **new session at the Game Café** on Tuesday, April 13th, 2021 from 6 to 8 PM on the *Board Game Arena* digital space.

ArkeoTopia's Game Café

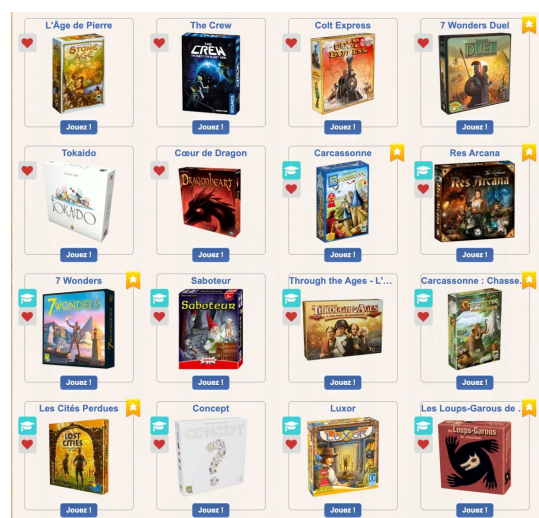

The game industry has changed enormously since the 1970s. Nowadays, it is no longer limited to Monopoly and Scrabble. Games represent more than a friendly universe, it is a medium which allows tackling themes as varied as history and archeology, while remaining fun thanks to the tips of the game mechanics.

While waiting to be able to meet again in person to have you try the board games that we have created around archeological research, we invite you to have a good time on the *Board Game Arena* digital space. Whether you are a gamer or not, whether you are alone or with friends or family, come and try a convivial and unusual experience at the **ArkeoTopia Game Café**.

ArkeoTopia's friendly and dynamic team will welcome you with great pleasure to share giggles, deep questions and revelations with great classics such as *Stone Age*, *7 Wonders*, *The Crew* and many other surprises.

Session of Tuesday, April 13th, 2021

Thanks to its community, we can continue to play board games on the topic of archeology or about broader values that can be found in all scientific research as suggested by collaborative games with the example of *The Crew*.
