## The hidden surprises in *My Archaeology Book 8 and up*

In *My Archaeology Book* for kids 8 and up or *MAB2*, Augustin hid 3 Easter-eggs. He asked to his friend and poet Octave to provide clues on how to find each of the 3 hidden surprises in the workbook using your smartphone, tablet or computer thanks to the [Aurasma / HP Reveal app](#).

**Can you find them?**

### Clue #1

*For having finished many a step, you have earned a celebration*

The answer starts with the letter "D".

### Clue #2

*Give to the youngest what Dona could not*

The answer is related to a picture for children from 5 to 8 in the workbook for children 8 and up.

### Clue #3

*From the words of the mother, a book's overview you will discover*

The answer refers to another publication in which Augustin goes on adventures with his friends.
